Why Join SANDPIPER BAY COMMUNITY?

SANDPIPER BAY COMMUNITY is a volunteer organization dedicated to improving the quality of life and maintaining a vibrant neighborhood, while improving property values for all the residents living in the Sandpiper Bay Neighborhood of Port St Lucie, Florida.

SANDPIPER BAY was the original Planned Unit Development that started in Port St Lucie some 50 years ago. It is a diverse and coveted part of the city which includes over 3000 residences—some living in one of the several HOA's here. **SANDPIPER BAY** hosts 2 Golf Courses, 2 Marinas, the only Club Med International Resort in the USA, and the city's Botanical Garden. **SANDPIPER BAY** includes, lakes, parks, and local businesses.
